

RESOURCES

PLANNING AHEAD IS AS EASY AS 1-2-3!

1. Designate a driver before you go out.
 2. Make sure your designated driver stays sober.
 3. If 1 & 2 fail, consider these alternatives:
- Call a Friend or Family Member. Ask someone you trust to pick you and your friends up.
 - Stay Where You Are. Wait a few hours until you are completely sober before you drive.
 - Call a Taxi. Not only is it cheaper than what a DUI will cost you, you will arrive safely to your destination.
 - Take a Bus. It will only cost you a few dollars.

BE A SURVIVOR, DESIGNATE A DRIVER

If you go out and have too much to drink, make the right choice and call a cab or have someone who is sober take you home.

One DUI can cost you over \$8,500, your freedom, and even your life.
